# NEAMPAN Priority Areas

# NEAMPAN Study

“Strengthening the Subregional Cooperation through Knowledge Sharing on Sustainable Management of Marine Protected Areas”

## Key questions

- What are the management plans of the target MPAs?
- How the health of MPAs are monitored and assessed? (authorities, parameters, etc)
- How the diagnosis is linked to management plans?

## Outline of the study

---

1. **Review of the management plans and strategies** of selected NEAMPAN sites

---

2. **Review and analysis of methodologies** applied in the respective MPAs for monitoring and assessment of the current status, and assessment of environment and socio-economic pressures, and sustainable management of marine resources

---

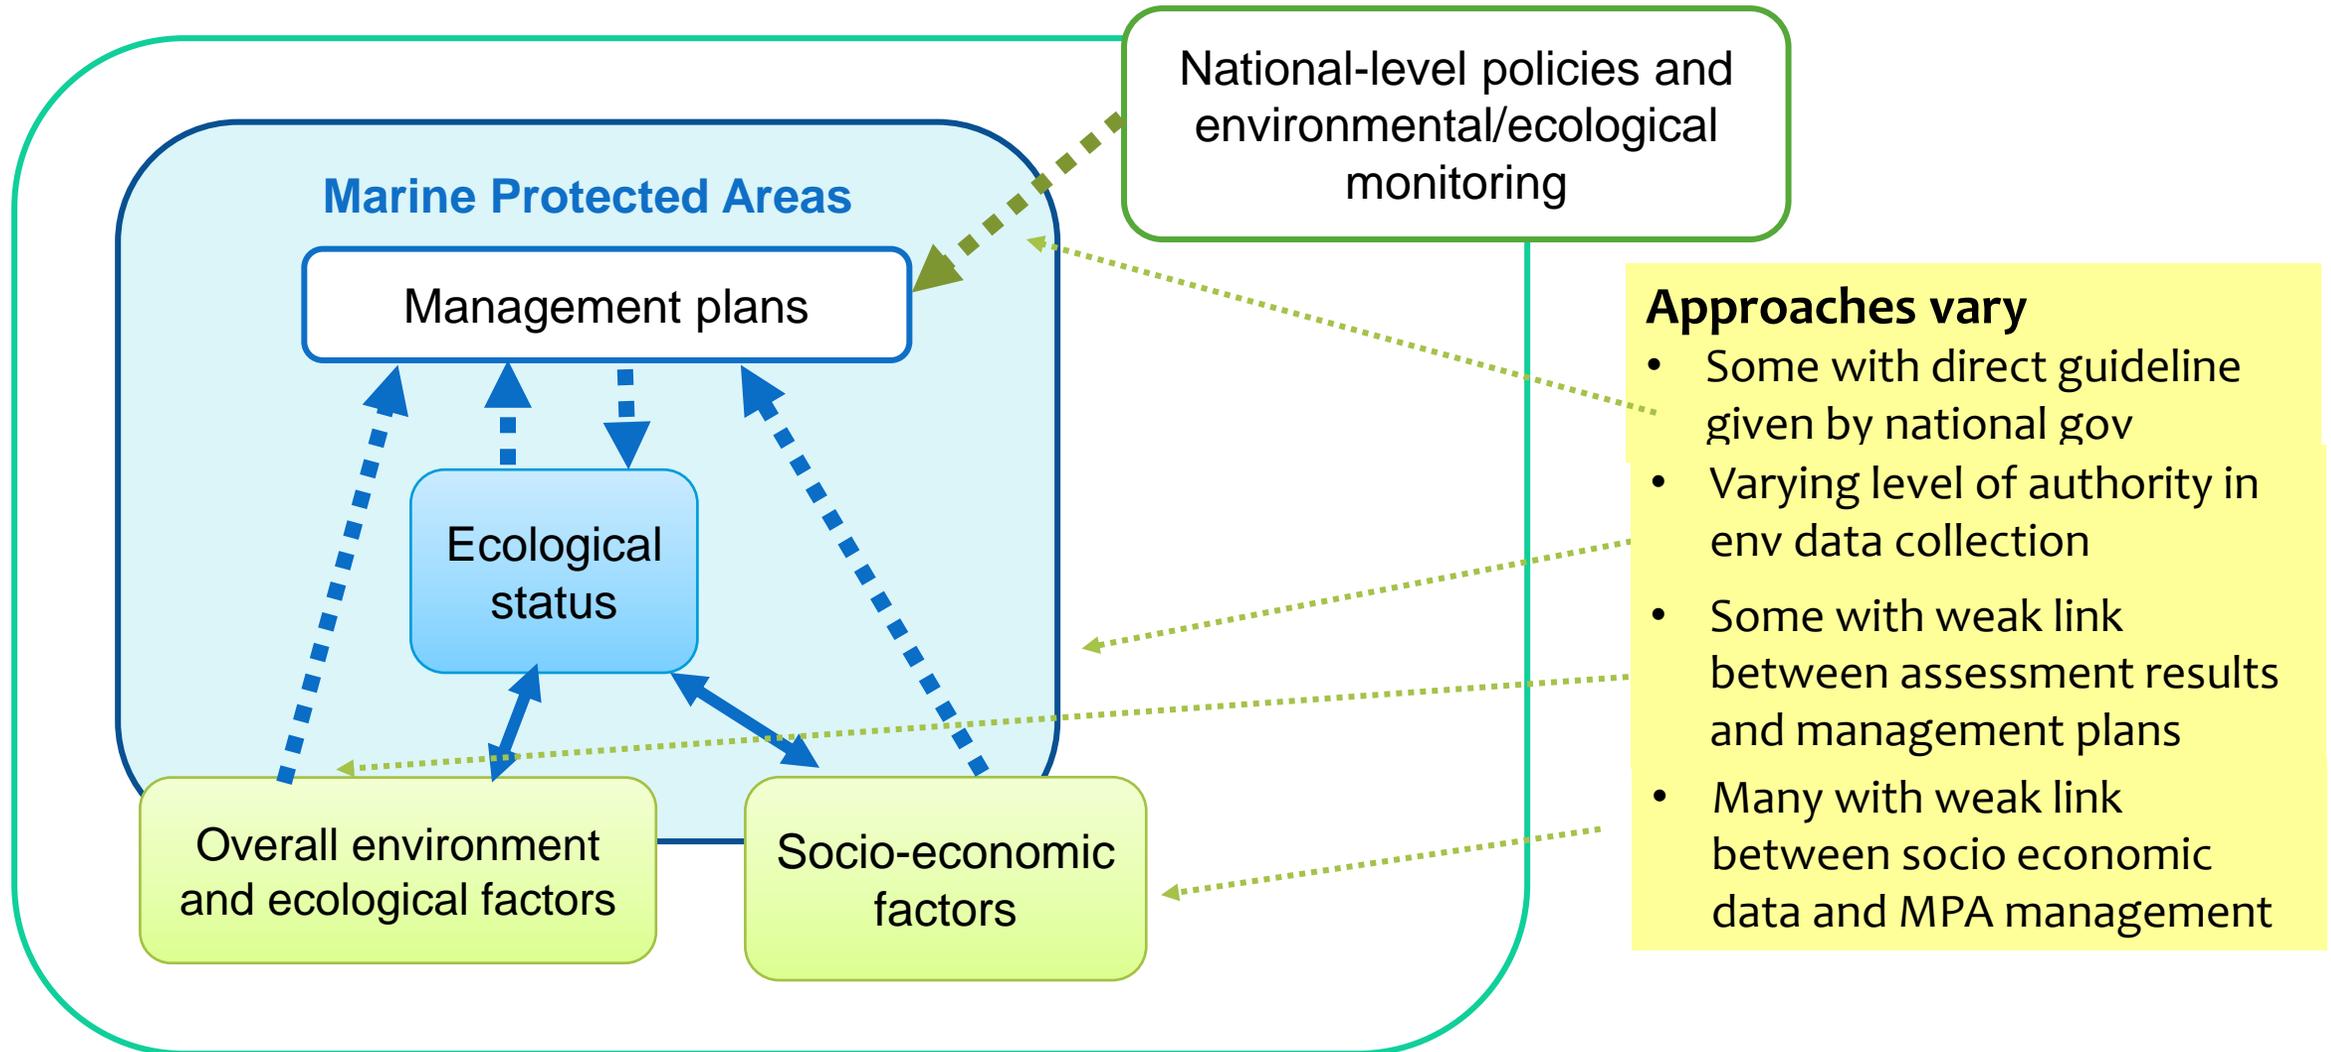

3. **Case studies** of monitoring and assessment results and corresponding measures in the selected MPAs

---

4. **Recommendations** on monitoring and assessment strategies and plans for sustainable MPAs

# NEAMPAN Study: some findings

*“Strengthening the Subregional Cooperation through Knowledge Sharing on Sustainable Management of Marine Protected Areas”*

# Upcoming/future activities 2020-2021

- **3<sup>rd</sup> Steering Committee Meeting**
- **NEAMPAN Workshop** on MPA management (back to back with the Steering Committee meeting) – tentatively in China
- Project “Strengthening Subregional Cooperation through Knowledge Sharing on Sustainable Management of Marine Protected Areas” – **workshop for dissemination of the study findings** in ROK
- ▶ **Informal Steering Committee Meeting** (virtual)
- ▶ Rescheduling of the **NEAMPAN Workshop** in future date
- ▶ (change modality of delivery) Translation of the project study for **dissemination of the study findings** to wider audience

Original plans

Modified due to the pandemic

# ISSUES FOR CONSIDERATION

---

The Meeting  
may wish to:

encourage the member States to consider **adding more NEAMPAN sites**

---

request the member States to guide the Secretariat on **future direction of NEAMPAN activities**, in alignment with the NEASPEC Strategic Plan 2021-2025.

**... further guidance on new approach** to achieve the objective in the face of pandemic

---

**Encourage DPRK's participation** in NEAMPAN activities

---

Invite member States to **propose NEAMPAN activities**

The screenshot shows the NEASPEC website homepage. At the top left is the NEASPEC logo and the text "North-East Asian Subregional Programme for Environmental Cooperation". To the right is a search bar. Below this is a green navigation menu with links for HOME, ABOUT NEASPEC, OUR WORK, MEMBER STATES, PUBLICATIONS, MEETINGS AND EVENTS, and CONTACT US. The main banner features a large image of a map of the region and text announcing the "24<sup>th</sup> Senior Officials Meeting of NEASPEC" on "12-13 October 2020". To the right of the banner, it says "NEASPEC 24TH SENIOR OFFICIALS MEETING (SOM)" and "The 24th Senior Officials Meeting (SOM) will be hosted by the Government of the Russian...". Below the banner is a section titled "Five Thematic Areas" with five colored boxes: Nature Conservation (green), Transboundary Air Pollution (purple), Desertification and Land Degradation (orange), Low Carbon Cities (red), and Marine Protected Areas (teal). Each box contains an icon and the area name. Below this is a "Meetings and Events" section with a small thumbnail for the 24th SOM and a text box stating: "NEASPEC 24th Senior Officials Meeting (SOM) 12-13 October 2020. Virtual meeting. The 24th Senior Officials Meeting (SOM) will be hosted by the Government of the Russian Federation via videoconference on 12-13 October 2020." To the right of this section is a "NEASPEC BRIEFS" sidebar with links for "About NEASPEC", "NEASPEC Brochure", and "NEASPEC Strategic".
